The NPDES permit is what he is asking about (just confirmed), so I will send him to the state. Thanks.

Hi Enesta,

If this is a request for the NPDES permit, he should contact the state. Or is this a different permit?

Hi All,

Who can help with this one?

**Reporter:** Ben Schachtman

A second question, which arose yesterday, I also hope you can help with. I can't seem to find Chemours (The Chemours Company, Fayetteville Works) in the EPA database of facilities. Our local/regional water company recently filed a FOIA for the company's permit - NC0003573 - but when I looked that permit up, it's a Japanese company, Kuraray. I'm hoping you can help me get to the bottom of this!
